

GED Results Process

General Educational Development Test (GED®)

Name: _____

Test Date(s): _____

You will be required to go online to view your GED results.

To do so you will need to set up your pin number today.

1. Use the boxes below to write in your pin. No one will know your pin except you. If you lose your pin, neither Taft College nor the California State GED office will be able to retrieve your pin.

--	--	--	--	--	--	--

2. Results will be posted within 10-15 business days.
3. Please visit <https://gedcalifornia.ets.org> to view your results.

Note: Results are posted as they are scored. If you only see partial results posted, please wait a couple of days for all results. If, after two days of viewing your partial results all your results are still not posted in their entirety, please contact the Taft College Testing Coordinator at 661-763-7962.
